- Introduction from Provost Fisher: what does he do?
  - Vice president of academic affairs
  - Spends lots of time with professors and staff
  - Wants to establish regular connects with the students of the University
- Would like to change the lack of student voices in academic choices at school: wants to hear our student input on things on campus
- Creating an advisory committee (students will be nominated to sit on this committee)
- Next month he will be holding monthly open office hours for students so that they can come in and talk to him about concerns
- Questions:
  - Margarita: expand on what students could contribute to with the new Quai building
    - Fisher: Wants opinions on how to use the spaces from students, staff and faculty. Any changes that need to be made etc.
    - Wants full student involvement by next semester
  - Electra: what will your office hours be used for?
    - Fisher: a way for students with concerns or issues to come and talk about larger/academic issues of the university
  - Thomas: Do you have any plans for how you're going to reconfigure the Combes building
    - They are planning on making the old ASM room a classroom
- Wants this to improve communications between the university and the student body
