Update on clubs

Overview of the budget

• Inspire Africa Language Exchange Event -150.00

October 12th event, the money was for food and drink

Motion made-motion seconded-passed

• Raw Vegan Feast Club Food Sharing Event - 45.20

Club was created to introduce raw veganism to AUP, the money was for an event where people made food and shared recipes

Question: Where was the event advertised? Email are sent to those who signed up for the club

Why the reimbursement, shouldn't it be requested before the event happens? No because sometimes it is easier to do reimbursement.

Statement that we want to know more about this club

Debate:

What happens if someone submits a reimbursement and it doesn't get passed? Then it isn't passed and it comes out of their pockets

Chis feels that every club should have to present

If you can't be here there should be a large statement given to government saying why they couldn't attend and more details about the event, more in depth

Propose a motion to amend the constitution

Motion to table-motion seconded-tabled

12:43 — Outreach and Development

Reunion coming up 31st of January, outreach wants help with the event

Story course journalism style in which you will sit with someone who has graduated from AUP and chat

Campus tours, need help with

Christmas party Dec 6th, open invite to government also need help

1:05 — Open Floor

Carnival for a cause feedback- better lighting, better communications on events in general

Asking for input on wages for students:

Lots of discussion about where the money comes from, how it is granted, the laws and rules around student workers

Question: What is the administrative reasoning for the amount? Due to France's laws on work, it has to be a grant to not have to deal with taxes
