• UN Summit Trip- 803.47

The trip went from 3 to 2 to amending the request from last week

Questions: Why wasn't the stop offered to other students

Was the budget voted on last week? Yes, but now one less is going

The budget money doesn't add up, can you explain? It is just the half of the amount for the 2 to go to the trip

Can you justify the trip? Yes talk to many different higher ups about events happening in the world

How was it advertised? Courtney was told about the event and she sent it up to ICP

Diana stated that it is a same that is wasn't opened up to everyone.

A more detailed budget request needs to put up.

Why is the student body paying for this trip when the student body wasn't offered a spot to go?

Motion to table-seconded-debate

Debate:

It is a great opportunity for you two to network but there needs to be a more detailed budget

Is there a cheaper lodging, it is very expensive per night.

People are upset about how it was not open to all

Why is the a cushion amount there is they have already booked everything

If it is a niche group then they should pay for it

It should be open to all not just seniors

Tabling should be till next week till better numbers come up

Motion to table-motion fails

motion to allocate-seconded-passed
